## CSA NEWSLETTER WEEK #11, AUGUST 11<sup>TH</sup> 2009

August 11, 2009

Hello Everyone,

This past week has been extremely busy on the farm. Our peppers are coming in full force, along with some purple and even yellow peppers. Also, our eggplant is growing quite well, both our little varieties (such as fairytale, Hansel and Gretel, and white varieties) and our standard large black eggplant. We are also very excited to announce that our white corn has arrived! The variety name is Augusta and is our sweetest corn – we promise that it will be the best corn you have ever eaten. Try an ear raw, it tastes like candy. Our tomatoes have really taken off these past weeks and are looking really good. We are offering 25lb boxes of tomatoes for \$18 only to our CSA customers, regular price is \$22. If you didn't order one or two yet, it's OK we still have more.

This week everyone will find onions, tomatoes, eggplant, beets, corn, collards, and beans in their boxes. Please don't forget to look at the sign this week as you will also have to pick up eggs and potted herbs. In addition full shares will receive sweet peppers (purple, green, and yellow), a large eggplant, and cucumbers.

If you have ordered a box of tomatoes please stop in the stand to pick it up. The boxes are pre-packaged but to make sure that we have them ready they are being kept in the greenhouse off of the stand. Thank you for your cooperation and we hope you enjoy your box this week!
