I understand that this is a community supported venture and that, although the farmer is committed to the best of his ability to raise the chickens, there are risks in agriculture (mother nature's whims) that need to be shared with the whole community. I understand that my full payment entitles me to a weekly/bi-weekly chicken share from Stone Gardens Farm. Failure to pick up share during the set pick up times without prior notification will result in loss of share for that week.
